THAT this House approves in general the budgetary policy of the government.

And the proposed amendment moved by Mr. MURRAY as follows:

THAT the motion be amended by deleting all the words after "House" and substituting the following:

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) Failing to offer any vision and to reflect the priorities of Manitoba; and
- (b) Failing to provide a long-term economic strategy and tax reduction strategy that addresses the fact that Manitobans are now, under the Doer NDP government, the highest taxed west of New Brunswick, and make Manitoba a "have" province; and
- (c) Failing to address the debt of Manitoba which has grown under the Doer NDP government, thereby mortgaging our children's future; and
- (d) Failing to eliminate education taxes off of residential property and farmland; and
- (e) Failing to offer a "New Deal" which will meet the needs of Manitoba's municipalities; and
- (f) Failing to provide adequate funding for post-secondary institutions; and
- (g) Failing to provide relief for Manitoba's livestock producers and failing to provide for sufficient slaughter capacity; and
- (h) Failing to provide for a meaningful review of the operation and administration of Manitoba's Regional Health Authorities; and
- (i) Failing to provide a long-term plan for the reduction of health care waiting lists; and
- (j) Failing to provide an opportunity for publicly funded health care services in privately-managed clinics; and
- (k) Failing to provide child care options for parents by failing to support for-profit child care centers as well as not-for-profit centers, and failing to provide a tax credit for stay-at-home parents; and
- (l) Failing Manitoba's sick and elderly by increasing Pharmacare deductibles by 20% over the past four years; and
- (m) Failing to support Manitoba's environment by failing to provide for the long-term sustainability of Manitoba's recycling and product stewardship programs; and
- (n) Failing to deal with record numbers of auto thefts and record numbers of murders; and

(o) Failing to provide a plan or strategy to break up existing gangs and prevent new gangs from coming to Manitoba; and

(p) Failing to deal with the high number of grow-ops and labs manufacturing illegal drugs and the proliferation of drugs; and

(q) Failing to acknowledge their raid on Manitoba Hydro contributed to a 10% increase in Hydro rates.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
