And the proposed amendment moved by Mr. PALLISTER as follows:

THAT the Motion be amended by adding at the end the following words:

But this House regrets:

- a) That despite record tax increases and record increases in transfers from other jurisdictions, the Provincial Government continues to spend beyond its means to the detriment of future generations; and
- b) That despite record tax increases and record increases in transfers from other jurisdictions, the Provincial Government has doubled the provincial debt; and

- c) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba remains the child poverty capital of Canada; and
- d) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba food bank usage is at record high levels including the highest percentage of children using food banks in Canada; and
- e) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba's infrastructure deficit is not being addressed and roads and bridges are in disrepair; and
- f) That despite record tax increases and record increases in transfers from other jurisdictions, many recent flood victims have still not received adequate compensation for their losses; and
- g) That despite record tax increases and record increases in transfers from other jurisdictions, long wait times in emergency rooms and for surgeries continue to put the health of Manitobans at risk; and
- h) That despite record tax increases and record increases in transfers from other jurisdictions, many seniors face long wait times for long-term care beds; and
- i) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba students continue to score at or near the bottom in core subjects such as math, reading and science; and
- j) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba universities are still ranked near the bottom compared to their Canadian counterparts; and
- k) That despite record tax increases and record increases in transfers from other jurisdictions, there continues to be a critical shortage of affordable housing; and
- l) That despite record tax increases and record increases in transfers from other jurisdictions, the Provincial Government insists on politically interfering with Crown Corporations in an attempt to siphon more money from them and from Manitobans; and
- m) That despite record tax increases and record increases in transfers from other jurisdictions, Manitoba remains the violent crime capital of Canada and gangs continue to flourish; and
- n) That despite record tax increases and record increases in transfers from other jurisdictions, many Aboriginal Manitobans still live in poverty and their communities lack basic services; and
- o) That despite record tax increases and record increases in transfers from other jurisdictions, many farm sectors do not receive adequate support when circumstances beyond their control impact food production; and

Monday, November 26, 2012

- p) That despite record tax increases and record increases in transfers from other jurisdictions, far too many Manitobans are leaving to live in other provinces.

As a consequence of these and many other failings, the Provincial Government has thereby lost the trust and confidence of this House.

And the debate continuing on the amendment,

And Mr. PEDERSEN, Hon. Mr. CHIEF, Mr. CULLEN, Hon. Mr. BJORNSON, Mrs. STEFANSON, Hon. Messrs. RONDEAU and GERRARD and Ms. BLADY having spoken.
