THAT this House approves in general the budgetary policy of the Government.

And the proposed amendment moved by Ms. MARCELINO (Logan) as follows:

*THAT the motion be amended by deleting all of the words after "House" and substituting:*

therefore regrets that this budget neglects the priorities of Manitobans by failing to:

- a) clarify the definition of "front line worker" and what services will be protected; and
- b) make the results of cross-government, private sector spending reviews open and transparent to the public; and
- c) ensure to the hard working people of Manitoba that the Provincial Government's value-for-money audit will not result in job losses; and
- d) address wage concerns of low income Manitoba families by not increasing the minimum wage and ensuring that families living in poverty are supported; and
- e) provide any additional resources for needed early childhood education spaces for Manitoba families; and

- f) commit to a comprehensive early learning program; and
- g) address the needs of persons living with disabilities; and
- h) commit resources necessary to address the recommendations of the Truth and Reconciliation Commission; and
- i) provide community and career assistance to new immigrants in the province; and
- j) advance initiatives for northern Manitoba; and
- k) preserve needed supports and relief for seniors and middle income Manitobans; and
- l) provide any new supports for safer communities.

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.
