

Environment Act Licence

Manitoba
Environment

Licence No. 1389

Issue Date JUNE 5, 1991

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

KIDSE GOURMET SAUSAGE; APPLICANT

The following limits, terms, and conditions shall be complied with in conjunction with the operation of a meat processing plant located on the SW Section 29, Township 5, Range 1 E in the Rural Municipality of Morris:

1. The Applicant shall ensure that slaughter of any animals does not occur at or near the operation.
2. The Applicant shall direct and collect for disposal all the process wastewater which is generated in the course of the meat cutting and wrapping business into a registered private sewage disposal system.
3. The Applicant shall ensure that all bones and renderable offal are removed and processed by a rendering operation.
4. The Applicant shall dispose of all unsaleable or unrenderable waste products from the meat cutting and wrapping operation at a registered municipal waste disposal ground capable of accepting these substances.
5. The Applicant shall not store or locate waste materials from the meat processing operation in the open.
6. The Applicant shall ensure that the emissions of odour from the operation are not detectable at any point of impingement beyond the property line in a residential area when one volume of odorous air is diluted with one volume of odour free air.
7. The Applicant shall operate the plant and property in accordance with good housekeeping practices to ensure prevention of nuisance conditions, public health and environmental concerns.
8. The Applicant shall provide upon the request of an Environment Officer, ongoing documents and records indicating:
 - (a) the number and type of animals processed; and,
 - (b) ownership indication of processed carcasses.
