Licence No. 1432
Issue Date NOVEMBER 9, 1990

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

COSGROVE AUTO BODY: APPLICANT STAGE 2 LICENCE

The following limits, terms and conditions shall be complied with in connection with the operation of an autobody shop on the SW 1/4, Section 27-10-26 WPM in the Town of Virden:

1. The applicant shall collect all drained fluids (gasoline, anti-freeze, crank case and differential fluids) and safely store the fluids in water tight and covered drums prior to re-use or disposal.
2. The applicant shall ensure that each drum in which fluids are stored is clearly marked on the side and the top surface identifying the type of fluid.
3. The applicant shall ensure that periodic disposal of fluids collected is made by delivery to a facility that is approved to recycle or destroy such fluids.
4. The applicant shall ensure that batteries removed from vehicles are stored in a proper and safe manner.
5. The applicant shall ensure that no open burning of any material related to the operation takes place.
6. The applicant shall ensure that vehicles and miscellaneous waste materials are stored in orderly manner.
7. The applicant shall provide the Director a copy of the development agreement to be entered into between himself and the Rural Municipality of Wallace in its entirety.
8. The applicant shall ensure that there is no paint overspray beyond the facility property line.
9. The applicant shall ensure that the filters used in conjunction with the spray booth are cleaned on a regular basis and kept in good working condition.
10. The applicant shall store all paints, thinners and solvents in a safe and satisfactory manner.
11. Stage 1 Licence No. 1417 is hereby rescinded.
