

# Environment Act Licence

Manitoba  
Environment

Licence No. 1708  
Issue Date SEPTEMBER 27, 1993

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

**THIS LICENCE IS ISSUED TO:**

**MANITOBA POOL ELEVATORS - FISHER BRANCH: "the Licencee"**

for the construction and operation of the Development being a grain elevator, including all related activities, to be located on the SE 1/4 of 20-24-1 W.P.M., near the town of Fisher Branch, Local Government District of Fisher, and subject to the following specifications, limits, terms and conditions:

## **DEFINITIONS**

In this Licence,

"chemical products" includes but is not limited to fertilizers, pesticides, and seed treated with pesticides;

"Director" means an employee so designated pursuant to The Environment Act;

"opacity" means the degree to which emissions reduce the transmission of light and obscure the view of an object in the background;

"particulate matter" means any finely divided liquid or solid matter other than water droplets;

"particulate residue" means that part or portion of an atmospheric emission which is deposited onto a surface;

"point source" means any point of emission from an operation where pollutants are ducted into the atmosphere.

## **GENERAL SPECIFICATIONS**

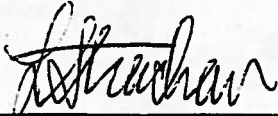

1. The Licencee shall ensure that a high standard of equipment maintenance and good housekeeping and operational practices are carried out with respect to the Development, at all times.

### LIMITS, TERMS AND CONDITIONS

2. The Licencee shall not emit particulate matter from the Development such that:
  - i) particulate matter:
    - a) exceeds 0.23 grams per dry standard cubic metre calculated at 25 degrees Celsius and 760 millimetres of mercury, corrected to 12 percent carbon dioxide for processes involving combustion, from any point source of the Development;
    - b) exhibits a visible plume with an opacity of greater than 5 percent at any point beyond the property line of the Development; or
    - c) results in the deposition of visible particulate residue at any time beyond the property line of the Development; or
  - ii) opacity from any point source of the Development equals or exceeds:
    - a) 20 percent for a 4 minute period(s), in the aggregate, in any one hour; or
    - b) 40 percent at any time.
3. The Licencee shall develop, and provide for the approval of the Director, a program to mitigate against any increased road dust levels arising from increased traffic to and from the development. Operation of the development shall not occur until the Licencee receives approval for the road dust mitigation program.
4. Notwithstanding Clause 5 of this Licence, the Licencee shall within 60 days of the date of this Licence, develop and provide for the approval of the Director, a program for weed and rodent control at the development.
5. The Licencee shall not store, handle, or permit entry of any chemical products at the development.
6. The Licencee shall notify the Director of any intended alteration to the development and receive approval of the Director pursuant to the Environment Act, prior to implementing the alteration.

### REVOCATION

If in the opinion of the Director the Licencee has exceeded or is exceeding the specifications, limits, terms or conditions set out herein, the Director may revoke, temporarily or permanently, this Licence.
