Dear Calvin Vaags:

Re: Environment Act Licence No. 2986 - Notice of Alteration Request

Thank you for your notice of alteration dated December 20, 2021, submitted by DGH Engineering Ltd. on your behalf. The department understands you wish to dispose of blood waste by combining it with process wastewater and land applying it annually.

We have reviewed the notice of alteration and additional information dated March 9, 2023.

I approve the alteration per Section 14(2) of The Environment Act.

The alteration changes the disposition of blood waste in clause 14 of Environment Act Licence No. 2986. All other clauses of the licence remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch at Jennifer.Winsor@gov.mb.ca.

For questions relating to the ongoing administration of the licence, please contact Kim Kmet, Acting Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCEPortage@gov.mb.ca or 204-641-4091.

Sincerely,
