Dear Shaun Heinrichs:

Re: Environment Act Licence No. 2628 RRR - Notice of Alteration Request

Thank you for your notice of alteration dated May 11, 2022. The department understands you wish to align discharge monitoring requirements with those of the federal Metal and Diamond Mining Effluent Regulations.

I approve the alteration per Section 14(2) of The Environment Act. A revised licence will be issued in the near future incorporating this alteration.

All non-monitoring clauses of Environment Act Licence No. 2628 RRR remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact Jennifer Winsor, P. Eng., Environmental Approvals Branch at Jennifer.Winsor@gov.mb.ca.

For questions relating to the ongoing administration of the licence, please contact Allan Cyrenne, Acting Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCEEastern@gov.mb.ca or 204-485-6410.

Sincerely,
