Dear Thelma Mugova:

**Re: Bausch Health Companies Inc. – Notice of Alteration to Licence 1364 R7**

Thank you for the Notice of Alteration dated March 28, 2019 in which you requested approval for the following changes to the operation of Bausch Health Companies Inc. facility located at the junction of Hespeler Street North and Provincial Trunk Highway No. 52 East in Steinbach:

1. to bypass the incinerator after 4 hours of a drying process for solvent based products; and
2. to add acetone into the list of chemicals in accordance with Clause 20 of the licence.

Upon review of your alteration request, I have concluded that the environmental effects of the alteration will be insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act your alteration is approved as described in the March 28, 2019 Notice of Alteration. This approval is conditional on the acceptance of a revised licence to be issued in the near future.

If you require further information regarding this matter, please contact Eshetu Beshada at (204) 945-7023 or [Eshetu.Beshada@gov.mb.ca](mailto:Eshetu.Beshada@gov.mb.ca).

Yours sincerely,
