August 28, 2014

Mr. Bradley Gregg
Facility Manager
Terraco
Box 430
Selkirk MB R1A 2B2

Dear Mr. Gregg:

**Re: Terraco – New Crop Protection Products Warehouse (Selkirk)
Environment Act Licence No. 2491 RR, Client File: 4558.00**

This is in response to a letter of August 22, 2014 from David Klassen of Kelsen Agritech concerning the replacement of the existing crop protection products warehouse with a new facility at your Selkirk location.

As the environmental effects of the proposed alteration are insignificant, approval is hereby provided in accordance with Section 14(2) of *The Environment Act* to implement the proposed alteration. Clause 19 of the Licence requires that a welded steel floor be constructed and maintained in the existing facility. This clause will apply to the concrete floor and integral curbed containment of the new facility.

Please contact Bruce Webb at (204) 945-7021 or Bruce.Webb@gov.mb.ca if you have any questions concerning this authorization.

Yours truly,

“original signed by”
