Dear Mr. Carroll:

**RE: ENVIRONMENT ACT PROPOSAL -
SOUTH END WATER POLLUTION CONTROL CENTRE (SEWPCC)**

Thank you for the Environment Act Proposal submitted for alteration to the SEWPCC.

Pursuant to Section 14(2) of The Environment Act, approval is hereby given to implement the alteration as outlined on the Proposal form.

Environment Act Licence No. 1190 will regulate air emissions from the altered facility.

It is also understood that licencing of liquid effluent emissions from the altered facility pursuant to The Environment Act will proceed in accordance with the plan being developed by the City/Province Committee on Environmental Issues.

Yours truly,
