Dear Monty Peckover:

Re: Environment Act Licence No. 2612 RR - Notice of Alteration Request

Thank you for the notice of alteration to Environment Act Licence No. 2612 RR, dated March 25, 2022.

You have requested an extension to the gasification pilot project to address issues identified during stack testing and confirm the technology's performance.

I approve the gasification pilot project's extension until March 31, 2023. All clauses of Environment Act Licence No. 2612 RR remain in effect. I am satisfied that any environmental impact from the extension aligns with the existing licence.

Should you have any questions regarding this approval, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch, at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

Sincerely,
