RE: Environment Act Proposal for the Eastview Landfill

Dear Ms. Braun

SNC-Lavalin Inc. is pleased to submit this Environmental Act Proposal (EAP) for a Class 1 Waste Disposal Ground on behalf of The City of Brandon.

The Eastview Landfill currently operates under Waste Disposal Ground Operating Permit No. 3011.17. The landfill began operation prior to the enactment of the Manitoba *Environment Act* licensing requirements, however, Manitoba Conservation and Water Stewardship have since required the City of Brandon obtain a Class 2 *Environment Act* Licence.

Please find enclosed four (4) hardcopies and one (1) electronic copy of the EAP submission which includes:

- A cheque for the application fee for a Class 2 development in the amount of \$7,500;
- An Environmental Act Proposal Form; and
- An Environmental Assessment Report

If you have any questions regarding our submission, or require further information, please do not hesitate to contact me at lyndsey.macbride@snclavalin.com or 204.786.8080.

Yours truly
