Dear Mr Kennell:

Re: Gollstar Enterprises Ltd - Licence No. 3061 Extended Revocation Date

Thank you for your email dated December 7, 2016 and additional information dated December 9, 2016. You requested an extension to the licence revocation stipulated under the Review and Revocation Section of the Environment Act Licence #3061 issued to Gollstar Enterprises Ltd. It is understood that the construction of the concrete batch plant was delayed due to financial reasons and to finalize plant detail. The request has been reviewed and approval is granted for the extension. Licence 3061 will be revoked if construction has not commenced by August 21, 2017.

If you require further information regarding this matter, please contact Eshetu Beshada at (204) 945-7023 or Eshetu.Beshada@gov.mb.ca.

Yours sincerely,
