Dear Mr. Brazzale:

**Re: Plasti-Fab Ltd. – Environment Act Licence 3098 – Pentane Management**

Thank you for your letter dated November 4, 2014 describing the pentane management plan for the above-noted licensed development. It is commendable that 55% of your current feedstock contain <5% pentane. Your request to extend the due date for a complete conversion of the feedstock to <5% pentane content has been approved. The new deadline to comply with the requirement of Clause 11(b) is December 31, 2016. In the mean time you are required to provide a progress report by December 31, 2015.

If you have any questions regarding this matter, please contact Mr. Eshetu Beshada of this office at (204) 945-7023 or [Eshetu.Beshada@gov.mb.ca](mailto:Eshetu.Beshada@gov.mb.ca).

Yours truly,
