Dear Ms. Barnes:

### **Re: Notice of Alteration for Environment Act Licence no. 3163**

This will acknowledge receipt of your email, dated August 2, 2016, regarding the proposed alteration to Environment Act Licence no. 3163 issued for the Northwest Gas Transmission Project.

Your email requests approval to reroute the pipeline, for approximately 350 metres, to avoid existing communication lines within the existing Winfield Road right-of-way. As the requested changes do not change the environmental effects of originally proposed project, the alteration is hereby approved pursuant to Section 14(2) of the Environment Act.

Should you have any questions about the review process, please contact Darrell Ouimet at (204) 803-1389 or [Darrell.Ouimet@gov.mb.ca](mailto:Darrell.Ouimet@gov.mb.ca).

Yours sincerely,
