

SUMMARY OF COMMENTS/RECOMMENDATIONS

PROPONENT: Rural Municipality of Yellowhead
PROPOSAL NAME: Used Oil Products and Materials Collection Facility
- Shoal Lake Recycling Centre
CLASS OF DEVELOPMENT: DGH&T Act
TYPE OF DEVELOPMENT: Operation of a Used Oil Products and
Materials Collection and Transfer Facility
CLIENT FILE NO.: **5798.00**

OVERVIEW:

An application dated May 15, 2015 was filed by the Rural Municipality of Yellowhead for the construction and operation of a Used Oil Products and Materials Collection at NW 10-17-23 W, in the Rural Municipality of Yellowhead, Manitoba. The facility will accept Used Oil, Used Oil Filters, Used Oil Containers and Antifreeze and store them temporarily and then send them to a licensed facility for processing.

The Proposal was advertised in the *Crossroads This Week* on Friday, October 9, 2015. Copies of the proposal were placed in the Public Registries at the Legislative Library and the Millennium Public Library as well as the online Public Registry. The proposal was distributed to the Technical Advisory Committee (TAC) on October 7, 2015. The closing date for TAC and public comments was on November 9, 2015.

COMMENTS FROM THE PUBLIC:

No public responses were received.

COMMENTS FROM THE TECHNICAL ADVISORY COMMITTEE (TAC):

Following is a summary of TAC comments received pertaining to the Proposal. Copies of the original comments from TAC are available in the Public Registries.

Manitoba Conservation and Water Stewardship – Environmental Compliance and Enforcement Branch

Environmental Compliance and Enforcement Branch has no comments.

Disposition:

No action needed.

Office of the Fire Commissioner (OFC)

The Office of the Fire Commissioner recommends that the applicant obtain a building permit prior to construction of the new used-oil storage building.

Disposition:

Comment provided to proponent as information.

PUBLIC HEARING:

A public hearing is not recommended.

CROWN ABORIGINAL CONSULTATION:

The project is located on land owned by the proponent and located adjacent to a waste transfer station which is owned by the same proponent. All surrounding land potentially affected is privately owned agricultural land. The project will not affect resource use on land or water. There are no adjacent or nearby First Nations.

RECOMMENDATION:

The provincial TAC expressed no concerns, or concerns are addressed in the draft licence, regarding the proposal. Therefore, it is recommended that the Development be licensed under *The Dangerous Goods Handling and Transportation Act* subject to the limits, terms and conditions as described on the attached draft DGH&T Act licence. It is further recommended that enforcement of the Licence be assigned to the Western Region.
