Dear Mr. Gauthier,

Thank you for your generosity in the gift of the medical beds. Our mission is to partner with Christian African organizations to provide hope and a future by transforming the body, mind, and soul through sustainable innovations.

Projects like these cannot be done alone, by partnering with generous people and organizations such as Manitoba Housing, we can help improve the quality of life to many, many people not only here in Manitoba, Canada, but across the world in Uganda Africa. The African people appreciate these gifts of generosity as they continue to surge ahead in transforming their people and country.

This generous gift will allow many people who are ill and need of medical attention, beds to rest on, rather than the floor. Thank you for sharing the desire to provide hope and a future to those in need in Uganda, Africa.

Sincerely,

Joe Waldner
Chairman
