## Welcome Place - Housing for New Canadians

**Proponent:** Manitoba Interfaith Immigration Council (MIIC)

**Building Type:** Apartment Complex

**Target Group:** Government Assisted Refugees

### Project Description:

- ◆ **Location:** 519/521 Bannatyne Avenue, West Alexander Neighbourhood, Winnipeg, Manitoba
- ◆ **Number of Households:** 23 "Flex" Units
- ◆ **Total Estimated Project Cost:** \$4,443,000
- ◆ **Federal/Provincial Contribution Toward Project Cost:** \$2,100,000
- ◆ **Additional Information:** New construction of Welcome Place, a five-level, apartment complex and settlement service facility for newly arrived Government Assisted Refugees. The 23 "flex" units will be located on the top three levels that can be modified to suit various family sizes. MIIC's settlement services currently operate from five locations in the downtown area and will be consolidated in the new facility. The "in-house" services will enhance the service provision to the refugee community.

**Status:** Under Construction.
