NOTICE PAPER

NOTICE OF MOTION FOR TUESDAY:

PROPOSED RESOLUTION:

Ms. BRAUN– Child Care

9. WHEREAS affordable and available child care has consistently been a priority for this Provincial Government since 1999; and

WHEREAS since 1999, the Provincial Government has increased funding by 135% and has funded over 8,000 spaces; and

WHEREAS the Provincial Government has remained on track with its five year *Family Choices* strategy which to date has funded 3,500 spaces and 29 new centres since it began in 2008; and

WHEREAS in Budget 2011 an historic investment in child care was announced by the commitment to fund an additional 25 child care sites and another 2,100 child care spaces; and

WHEREAS Manitoba has launched an online child care registry beginning in the Westman and Parkland regions, as part of the Provincial Government's plan to create a province-wide system that will make it easier for families to find quality child care appropriate for their needs; and

WHEREAS Manitoba became the second province to institute a \$6.6-million pension plan for early childhood educators, increasing their wages by 49% as of 1999, which brings their starting salary up to \$32,000 per year; and

WHEREAS Manitoba is a leader in Canada in child care investment, spending the second most per child in Canada, which translates into the second-lowest child care fees of the country; and

WHEREAS the Federal Government, despite promising 125,000 new child care spaces to Canadian families in 2005, has so far failed to fulfill this commitment.

THEREFORE BE IT RESOLVED THAT the Legislative Assembly of Manitoba commend the Provincial Government for its many diverse approaches to supporting Early Childhood Educators and Manitoba families and that it also urge the Provincial Government to continue its commitment to funding affordable, quality child care; and

BE IT FURTHER RESOLVED THAT the Legislative Assembly further urge that the Provincial Government continue to lobby the Federal Government to recognize the importance of accessible child care to the health of the economy and to uphold its commitment of creating 125,000 child care spaces for Canadian families.
