On the Proposed Motion of Hon. Mr. STRUTHERS –

THAT this House approves in general the budgetary policy of the Government.

And the Proposed Motion of Mr. PALLISTER in amendment thereto as follows:

*THAT the motion be amended by deleting all of the words after "House" and substituting:*

therefore regrets this budget fails to address the priorities of Manitobans by:

- a) ignoring the taxpayer protection laws that safeguard Manitoba families; and
- b) saddling Manitoba families with crushing and unnecessary taxes that don't allow them to prosper and save for the future; and
- c) failing to tame a \$500 million structural deficit created through 13 years of overspending; and
- d) failing to promise a full and transparent review of all Provincial Government spending; and
- e) failing to control growth of low spending priorities such as advertising and vote taxes; and

f) stifling economic growth and prosperity through excessive red tape and unwarranted taxation.

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.
