Selected Bill
(Second Reading question to be put October 10)

RESOLUTION:

Mrs. HIEBERT – Expanding Use of Narcan

22. WHEREAS Narcan contains the active drug naloxone, which is the nasal spray that can be administered to reverse an opioid overdose; and

WHEREAS naloxone nasal spray comes in a device with two prongs that fit into each nostril to administer the medication; and

WHEREAS currently the Provincial Government funds a take-home naloxone program, that is exclusively the injectable dose of Naloxone; and

WHEREAS the Canadian Medical Association Journal strongly recommended that federal, provincial, and territorial programs be adapted so that people have a choice of methods when a fast response is needed after someone has overdosed on an illicit substance; and

WHEREAS Ontario and Quebec offer free nasal spray naloxone (Narcan) at pharmacies or through locations like addictions treatment clinics, shelters, and public health facilities; and

WHEREAS individuals not accustomed to using needles can feel more confident using or administering the nasal spray and in the event of timeliness, individuals may be too anxious to load a syringe with naloxone from an ampoule while trying to help an extremely drowsy or unconscious individual; and

WHEREAS with increasing events of fatal overdoses and no increase to treatment spaces and pathways, Manitobans should have enhanced access to Narcan to help save their loved ones; and

WHEREAS families, individuals, and businesses should have access to Narcan nasal spray in all Manitoba communities to save lives; and

WHEREAS in jurisdictions where Narcan nasal spray is available through pharmacies, training is offered to include how to recognize an opioid overdose and the five steps to respond to an opioid overdose, ensuring more individuals are able to administer the dose in the event of witnessing or experiencing an overdose.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to expand access, training, and supply of Narcan nasal spray to pharmacies across the province and include coverage in the “Take-Home Naloxone Distribution Program”.

DEBATE ON RESOLUTIONS:
